How I keep a case file

WHAT THIS TEACHES Learn the structure every file on this desk follows.

Revised 16 Oct 2026 · first written 16 Oct 2026 · 1 min

> Each file starts with what I expected and why. Then come the tests that would prove me wrong, written before I know the answer.
>
> Facts sit in their own block with a source for every figure. When something changes I write a new revision with a reason, and the old text stays visible.
